

North Carolina Middle School Association's Economic Stimulus Package for Member Middle Schools!

We know times are tough, and funds are scarce... and we want to help by giving back to our members in return for all the support they've shown us over the years.

Here's our stimulus package to help with your PD for 2009-2010...

Through September 30th, Register **6** participants and pay for only **4**. That's right. Pay for four and two attend the 2010 North Carolina Middle School Conference for FREE!

But wait... there's more...

Register before June 30th and save an additional **\$10 per person**.

You can send all **six** participants for the discounted early-bird member rate of \$540... a savings of \$330! That's only \$90 per person to attend one of the nation's premier middle school conferences that draws participants from all across NC, over a dozen other states, and as far away as Japan... and at a rate we haven't had since the mid-1990s. How's that for rolling back the clock?

Don't worry if you have no idea who you're sending next spring... it's really early. Just put "To Be Determined" when you register online at www.ncmsa.net and you can e-mail us the names later.

To keep costs down, all registrations will be done online. You can then either send a check, or pay online by credit card (sorry, no POs accepted). Embed the conference into your staff development plan and use those scarce professional development dollars ASAP.

We hope you will find this to be a very special member benefit, and that this helps you plan for what's going to be a challenging year ahead.

Register online at www.ncmsa.net

E-mail us at pd@ncmsa.net or call us at (910) 235-3761 if you have questions.

See you in Greensboro March 15-16, 2010 for
"Sun, Fun, & Middle School!"
